

*From the Principal*

Dear Parents and Carers,

I want to give my sincere appreciation to all who contributed to a most successful Oliebollen Festival last Saturday. It was an exceptional day. There were large crowds and a carnival atmosphere predominated. It was again an occasion for Old Scholars to return and connect to their school and to previous classmates. A number of Old Scholars took the opportunity to seek out their past teachers. Many consider the Oliebollen Festival Kingborough's third largest event, after Australia Day and possibly ANZAC Day. The event on Saturday certainly seemed to confirm this view.

### **Staffing Announcement**

I wish to advise that our current Deputy Principal – Head of Secondary School, Mr Ian Riley, continues to slowly recover from his recent injury. He has recently advised me that, predominantly due to his health, he wishes to relinquish this leadership role. Consequently, I will act in this capacity for the remainder of the year.

Ian Riley has made a significant contribution to the sophistication of the school's operational systems that has led improvements in efficiency and clarity of communication. Through his efforts, we are significantly advanced in our goal to have a deeply Christian culture with highly professional systems and high standards. We are also a safer school for staff and students due to Ian's skill in risk assessment and management. His contribution to improving the efficiency of our system in this regard is also significant.

For the coming weeks I will assume the responsibility for the day-to-day management of the school. This will include having the presence in the school grounds that is the natural habitat of the Deputy Principal's role. Consequently, I will be more involved in the response to student behaviour, attendance, and the host of other daily occurrences.

The process to recruit a new Deputy Principal – Head of Secondary will commence this weekend. We have engaged a national search firm, Hutton Consulting, to assist us in the recruitment of a high-calibre replacement.

### **Primary Concert**

This morning, the musicians in the primary school presented their skills and virtuosity at the Primary Music assembly. In the presence of seventy parents the students performed individually, and in choirs and bands. The standard covered the full range of abilities that should be evident in a primary school committed to fostering the development of gifts. Students who are learning music for the first time were received with an enthusiasm that displayed the warmth of community

and a recognition that encouragement would propel further application. There were also some outstanding virtuoso performances.

### **Community Prayer**

I would ask that our community be prayerful for the leadership team's presentation to Kingborough Council about our Master Plan on Monday evening at 6:15 pm.

### **Parent Night**

Finally, I have written to every family today encouraging them to attend the parent evening on Monday. Andrew Fuller will make a great contribution to our community's understanding of stress, individual talent, and resilience.

Iain Belot

## **PARENT SEMINAR**

**Andrew Fuller**

Clinical psychologist, Andrew Fuller works with many schools and communities in Australia and internationally, specialising in the wellbeing of young people and their families. He is a Fellow of the Department of Psychiatry and the Department of Learning and Educational Development at the University of Melbourne.

26/9 Term 3 concludes

## CONFIRMING ENROLMENTS

We are currently  
confirming enrolments  
for 2019 and 2020.

*An official enrolment is required to  
secure a place.*

To obtain an enrolment pack or  
confirm an enrolment, please contact  
our Enrolments officer, Kathryn  
McKillop via [enrolments@calvin.tas.edu.au](mailto:enrolments@calvin.tas.edu.au)  
or through the school office  
6229 4829.

## TERM DATES

### TERM 3

Monday 30 July  
-  
Friday 28 September

### TERM 4

Monday 15 October  
-  
Wednesday 19 December

Dear Parents and Families,

Thank you for your support of the Oliebollen Festival last weekend. It was fantastic to see so many of our Primary School families taking in the beautiful weather and being immersed in the community of this event. A special thanks to those parents and students who helped out on stalls throughout the day. I had the pleasure of welcoming people as they entered the Oliebollen Festival, which gave me the opportunity to see how much of our local community we are able to bless and reach out to through this event.

### **Mrs Julie Smith – Long Service Leave**

Mrs Smith will be taking long service leave from Friday 14th September through to the end of Term 3. During this time, the Kindergarten class will be taught by Mrs Ineke Bosker. The students were very sad to hear this news on Wednesday which is a great testament to the care and support that Mrs Smith offers to all students through her teaching. Her heart and care for others is further displayed by the fact that Mrs Smith will be spending some of her leave supporting and training others in overseas communities. As mentioned by Mr Belot, Mrs Smith has informed us of her intention to retire at the end of this year. We look forward to having Mrs Smith back in Term 4 so we can honour and celebrate her contribution to Calvin Christian School over many years.

### **Coming events - more information soon...**

Please keep an eye out for notes in your children's bags and in your email inboxes about important information for the following events:

- Learn to Swim Program – Week 1 and 2 of Term 4;
- Pre-Kinder sessions – Tuesdays in term 4 (starting week 2, running for 6 weeks).
- Athletics Carnivals – P-2 (November 7); Year 3-6 (November 1).

### **Safety Reminder - Use of Playground**

We love to see people spending time together in the quadrangle for a chat and building the community of the school after the 3pm bell. Unfortunately we are unable to provide staff for duty in the playground after school during this time. As a result, all play equipment will continue to be out of bounds for students after 3pm. This includes with parent supervision as it is too tempting for others to come and join in unattended and create unsafe situations. We do provide duty teachers in the morning from 8:20am and short term after school supervision in Mr Smith's classroom for those who require slightly later pickup.

Thank you for your ongoing support, contribution and partnership in the education and personal growth of students in our school community.

Andrew Nash

PRIMARY  
CAMPUS

## PREP

In Prep this term we are learning all about how God has made our Bodies.

We began by drawing and labeling a blank human body outline with what we thought might be inside - this certainly led to some interesting discussions, as well as placement of bones, internal organs and whatever else we thought might be in there!

Since then we have learnt that adults have 206 bones in their bodies and we can even name them! Just ask us where you might find your phalanges, mandible or patella and we'll point them out.

We've also learnt about some of our internal organs and made our own set (as seen in the pictures) with 'working' oesophagus, stomach, windpipe and lungs.

We are now learning about our 5 senses.

We began with touch and enjoyed a walk around the school in bare feet, feeling lots of different surfaces around our school (and watching out for surfaces that might make our skin, nerves and brain work together to say 'ow!').

Next we talked about sight. We looked carefully at our eyes in a mirror to see all the different parts and colours of our eyes. We made a picture of one of our eyes and used collage materials to make something to help us to see.

This week we are learning about hearing. We made ears to help us hear and enjoyed playing 'Secret Sounds' where we had to listen to a sound and draw a picture of what we thought it might be.

We look forward to learning about the senses of smell and taste over the next 2 weeks, especially as we prepare to go on an excursion to Woolworths and put these senses to use.

Miss Karalyn Bylsma  
Prep Teacher

## CALVIN BOOK WEEK ART PRIZE

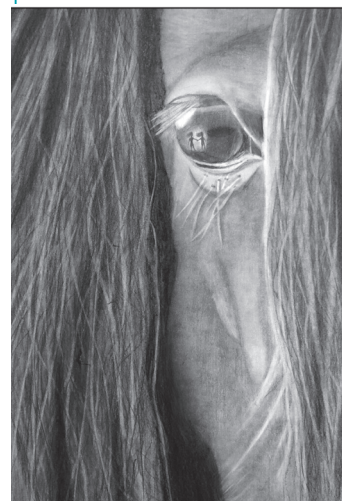

The Calvin student Book Week Art prize went to Evelyn Tiemens

Her artists statement was this...

"My treasure is found in my friends and passion for horses. This drawing illustrates a horse and in the reflection of it's eye are two people walking, holding hands. The horse represents my passion. The mane is curly; this represents our journey and the fact that it will always get rough at some point. The people symbolise friendship. They are holding hands because even if the journey is tough your friends are always there for you, no matter what."

Well done to the following Calvin Senior students whose artworks have been accepted into the Light Up The Lane festival. <http://www.youthartsandrec.org/light-up-the-lane-2018-2/>

## CALVIN CHRISTIAN SCHOOL UNIFORM SHOP

Calvin Uniform shop will  
**CLOSE** Thursday 27 September at 4.00 pm and  
**REOPEN** Tuesday 16 October at 8.30 am.

Now is the time to check with the uniform shop that they have the correct sizes for your child for Back to School 2019.

They are able to order in **extra small** or **extra large sizes** or **made to order items**, but they need to know as soon as possible.

If you come to in January/February it will be too late! The wait time can be up to 12 weeks on some items. Skirts and Blazers are items worth checking.

Please call Jo to discuss your uniform needs on  
**6240 1883**  
Tuesday or Thursdays only.

To avoid disappointment **ORDER NOW!** It will save the stress at back to school time for you and for the uniform shop
