

This document contains the list of textbook and stationery requirements for TASC subjects being offered at Calvin in 2024. Textbook purchase can be arranged through Office National and details are provided at the end of this document and in the Year 7-12 handbook. Students may be able to purchase second hand texts from those who undertook the subject in previous years but please ensure that the correct edition is being purchased for 2024.

Apart from the text books and stationery list below, it is expected that all Year 11 & 12 students have daily access to the following items:

- Pen, pencil and eraser, preferably stored in a pencil case
- Diary (hard copy or digital format)
- Folders (to organise worksheets and notes)
- Laptop that works effectively and has:
 - o Live cloud backup of a folder with their school work (e.g. google backup & sync; iCloud; google drive; drop box; etc.). If this doesn't occur, it is expected that students backup their work regularly using a thumb drive or similar
 - Capability to view, edit and export Microsoft Office documents such as Word, Excel, PowerPoint etc. Please note: as part of their school account, students have access to Microsoft Office 365 for free
 - o Ability to last for a full day once charged overnight at home
